When you leave the party *****

- ❖ Don't leave alone. If you arrived with a friend, don't leave them alone either.
- ❖ Walk in well-lighted areas.
- ❖ Make sure you know people at the party.
- ❖ Do not walk outside in public with an open container of alcohol.
- ❖ Do not urinate in public
- ❖ If you walk home, be respectful of the community. Do not make loud noises, cause disturbances or damage property
- ❖ Place empty cans, cups or bottles in trash receptacles!
- ❖ Make sure you park your vehicle legally in the neighborhood.
- ❖ When you return home, be considerate of your roommate(s), neighbors and other people around you.
- ❖ If the party is large, consider going somewhere else. The larger the party the more likely a complaint will be made.

*Even though you are awake,
your neighbors & friends may
not want to be!*
